

Lettie Brown K-3rd Families,

It's hard to believe, but the holiday season is just around the corner! The K-3 students have been enthusiastically rehearsing for their program. This is a wonderful opportunity for our students to gain experience performing, and a time for family and friends to gather once again to ring in the holiday season.

The programs will be held at Bertha Frank Auditorium, located at our High School Campus, 350 N. Illinois Ave., on Tuesday, December 7th. The schedule is as follows:

6:00 pm Kindergarten and First Grade Performance

7:00 pm Second and Third Grade Performance

The doors will open at 5:30 pm. Students will meet in the high school cafeteria 15 minutes before their performance. We will have teachers and staff at the entrance to help guide students to the cafeteria.

As many of you know, Bertha Frank seats 464 people, and we are anticipating a full house. Please be mindful and considerate of our limited space. There is also an opportunity to watch the events live on MPTV.

Thank you for your support and cooperation as we prepare to bring you a bit of holiday cheer!
